The Laws of Perfection

Part 2: The Curse that was a blessing

Galatians 3:13 Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree:

The Trees of the Garden ?

Ezekiel 31:5 Therefore his height was exalted above all the trees of the field, and his boughs were multiplied, and his branches became long because of the multitude of waters, when he shot forth.

6 All the fowls of heaven made their nests in his boughs, and under his branches did all the beasts of the field bring forth their young, and under his shadow dwelt all great nations.

7 Thus was he fair in his greatness, in the length of his branches: for his root was by great waters.

8 The cedars in the garden of God could not hide him: the fir trees were not like his boughs, and the chesnut trees were not like his branches; nor any tree in the garden of God was like unto him in his beauty.

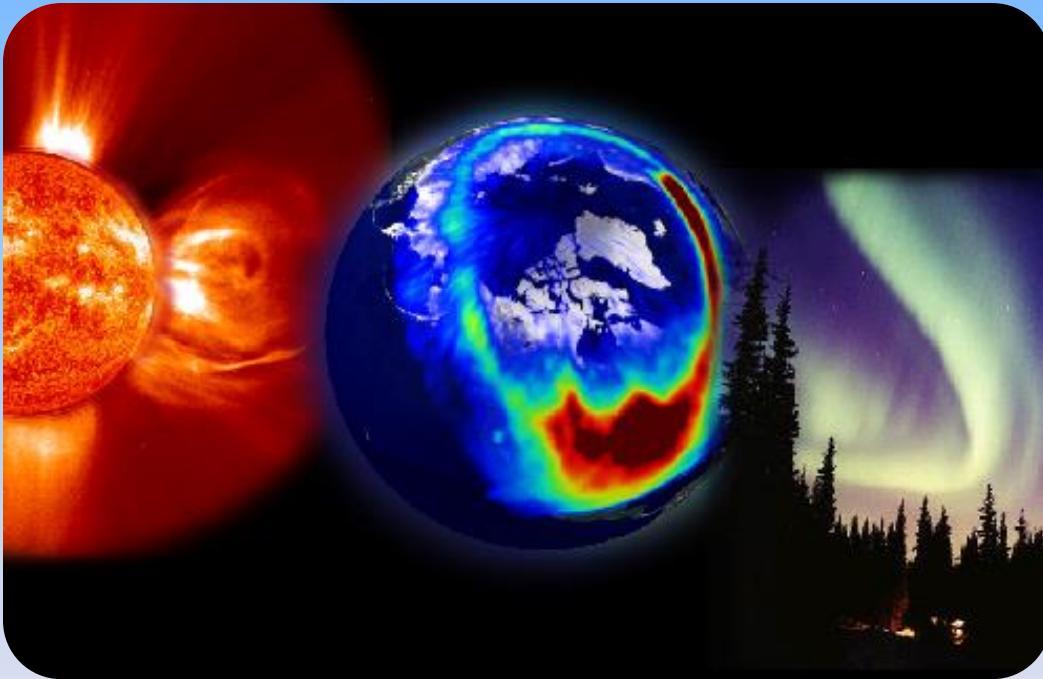

9 I have made him fair by the multitude of his branches: so that all the trees of Eden, that were in the garden of God, envied him.

10 ¶Therefore thus saith the Lord GOD; Because thou hast lifted up thyself in height, and he hath shot up his top among the thick boughs, and his heart is lifted up in his height;

The Trees of The Garden

- Ezekiel 31:18 To whom art thou thus like in glory and in greatness among the trees of Eden? yet shalt thou be brought down with the trees of Eden unto the nether parts of the earth: thou shalt lie in the midst of the uncircumcised with them that be slain by the sword. This is Pharaoh and all his multitude, saith the Lord GOD.

Genesis 1-2 :Creation Unbalanced! (Without Law)

Genesis 1:1 In
the beginning
God created
the heaven and
the earth.

- 
- The image features a dark, almost black background. In the upper half, there are several glowing, ethereal shapes. On the left, a bright blue, translucent, cloud-like form is visible. To its right, a series of overlapping, glowing green shapes, resembling wisps of smoke or energy, extend across the middle. Below these, a bright yellow, glowing shape is visible, also appearing to be part of the same ethereal structure. The overall effect is one of dynamic, glowing energy in a void.
- *2 And the earth was without form, and void; and darkness was upon the face of the deep.....*

- *2 And the Spirit of God moved upon the face of the waters*

And it was So!

And God
Said...

Let there be..

*And it was
so!*

God is a Perfect Being

A perfect being can only
create perfect things!

*Psalms 18:30 As for God, his way is
perfect: the word of the LORD is
tried: he is a buckler to all those that
trust in him.*

- Even His Creative Words Are Perfect
 - Deuteronomy 32:4 He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he.

Let there be....

- Every time God said....Let there be...
- The very words created a Law of perfection
 - Hebrews 11:3 Through faith we understand that the worlds were framed **by the word of God**, so that things which are seen were not made of things which do appear.

The Laws of Perfection

- The Physical.....Orders Matter
- The BiologicalOrders Physical Life
- The Spiritual.....Orders Sentient Life

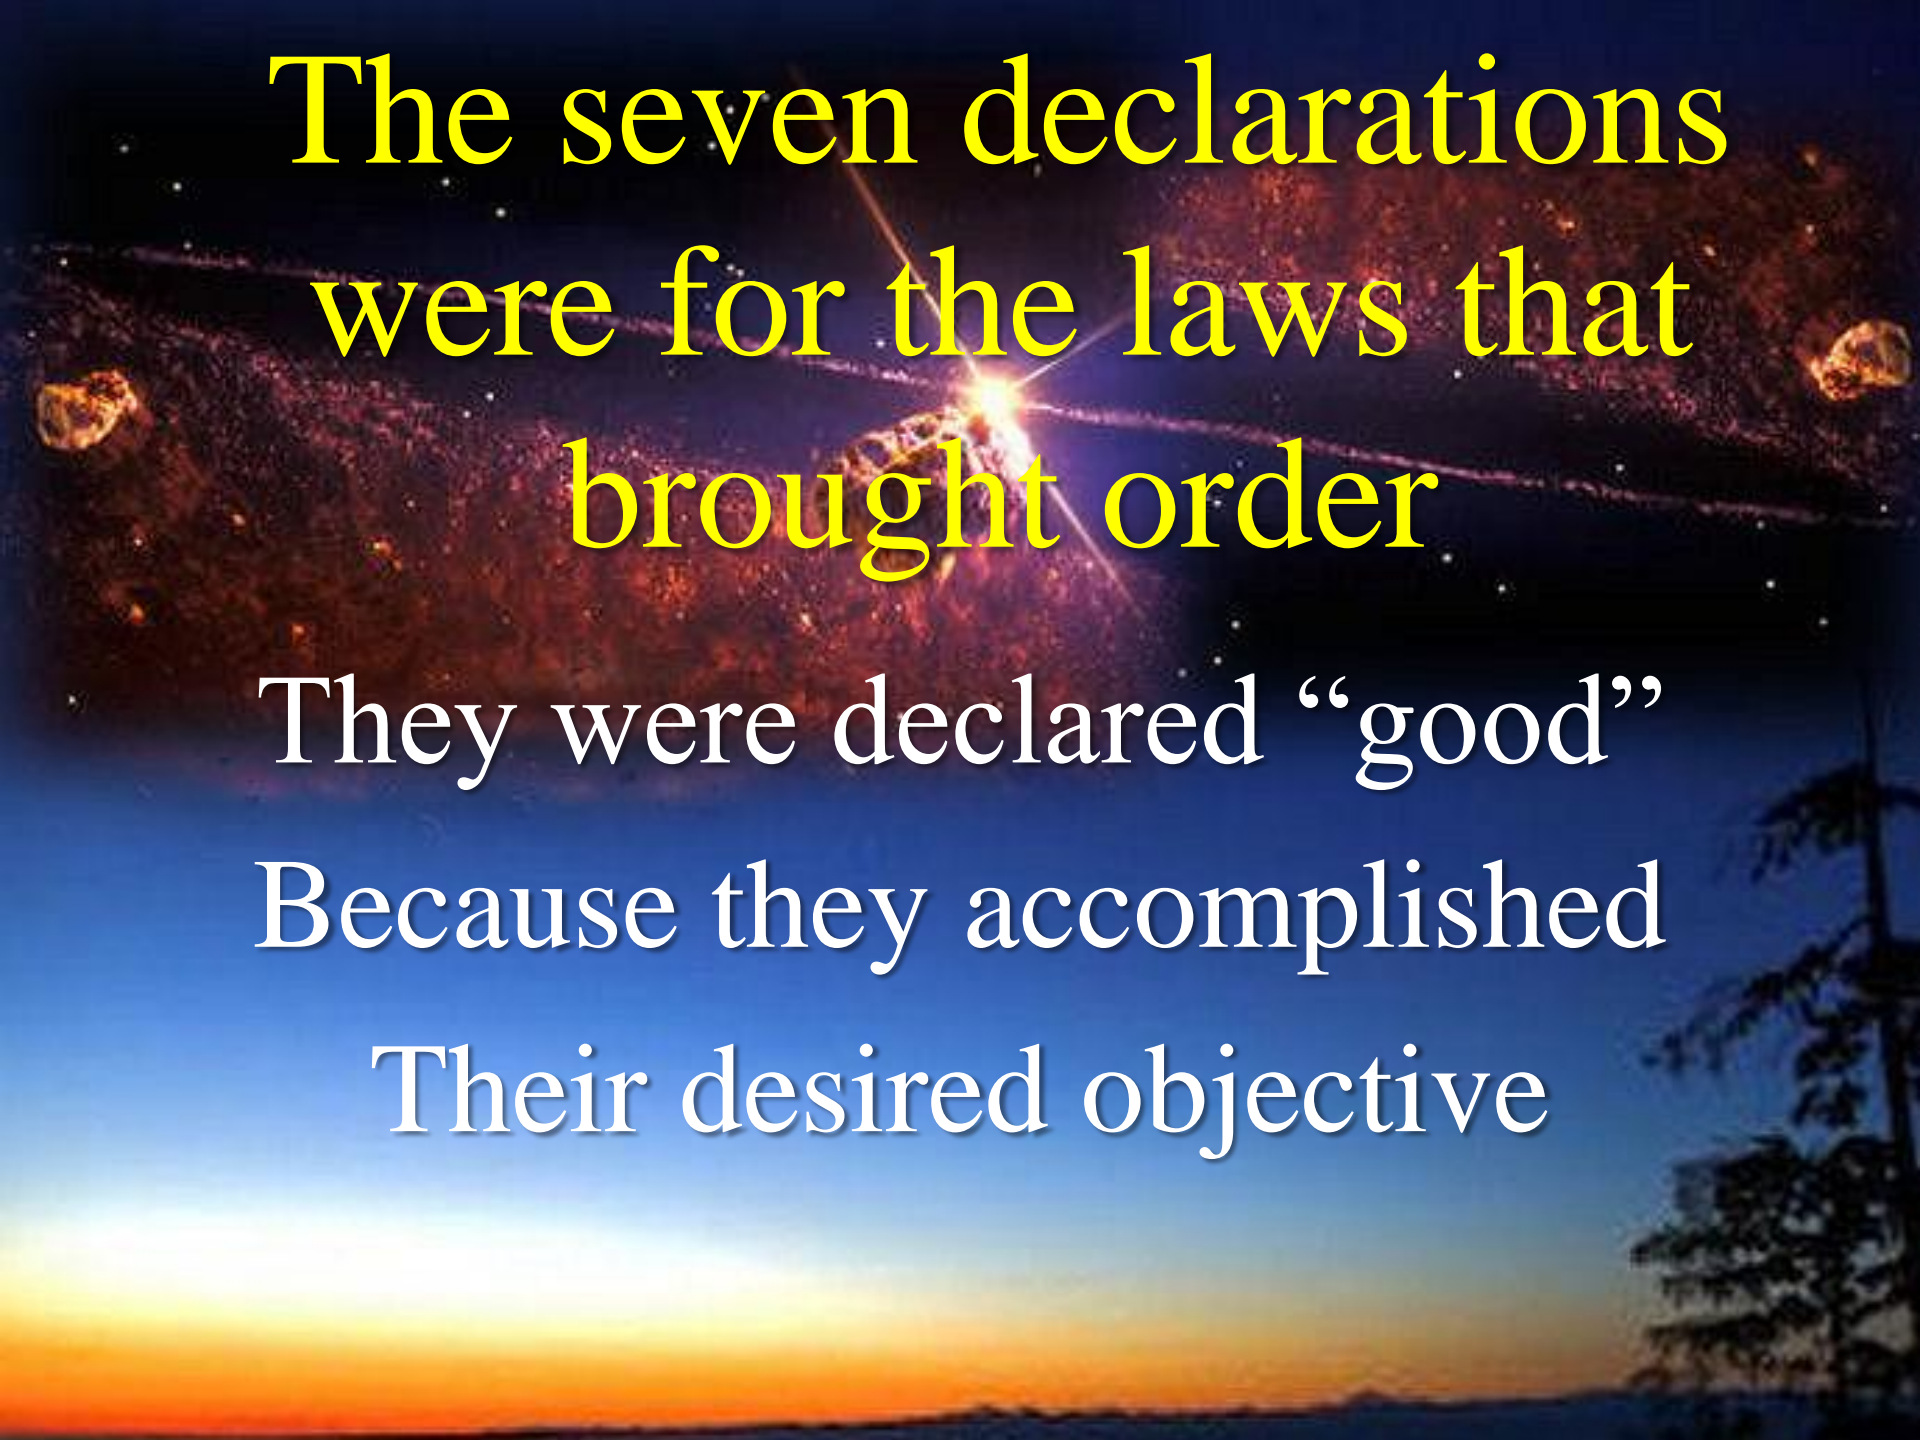

Psalms 19:7 The law of the LORD is perfect,
converting the soul: the testimony of the LORD is
sure, making wise the simple.

The Sevenfold Declaration

It Was “Good”
טוב “Towb”

- The “Light was Good”
 - Gen 1:4
- The Earth and Seas were “Good”
 - Gen 1:10
- The Plants were “Good”
 - Gen 1:12
- The Lights were “Good”
 - Gen 1:18
- The Fish and Birds were “Good”
 - Gen 1:21
- The Land animals were “Good”
 - Gen 1:25
- The Whole Creation was “Very Good”

The seven declarations
were for the laws that
brought order

They were declared “good”

Because they accomplished

Their desired objective

Perfection achieved !

- At the end of the sixth day, The forces derived from laws were in balance. Having “brought order” to each area of their respective domains.

The Physical,
The Biological,
The Spiritual.

- At the end of the sixth day, New creative acts by the laws ceased. But the laws & forces did not cease, just perfectly in balance.

How did Gods Laws bring about Perfection to the Universe?

The Laws do not create Perfection, Goodness, or Virtue.

The way they work is to destroy and remove Imperfection, Chaos, disorder. Leaving only Goodness!

Maple sap is boiled down to make syrup in a large kettle over an open fire at Eastman Nature Center. It takes 40 gallons of maple sap to make 1 gallon of syrup.

.....And it was very good..Gen 1:31

- God rested on the seventh day because of the Perfection of his work
- The harmony and balance of his creation was perfect

.....And it was very good..Gen 1:25

When you have achieved perfection. Nearly any change, leads away from perfection since perfection is a fraction of the possible states!

The Rock is PERFECTLY balanced. If you move it just a Little it will not be balanced and will fall

Matthew 5:48 Be ye therefore perfect, even as your Father which is in heaven is perfect.

A perfect being cannot come into intimate contact with anything that is not also perfect! This means that the very nature of GOD, his attributes do not allow anything imperfect into close contact, **fulfilled love requires intimacy!**

1 Timothy 6:16 Who only hath immortality, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honour and power everlasting. Amen.

A model and type

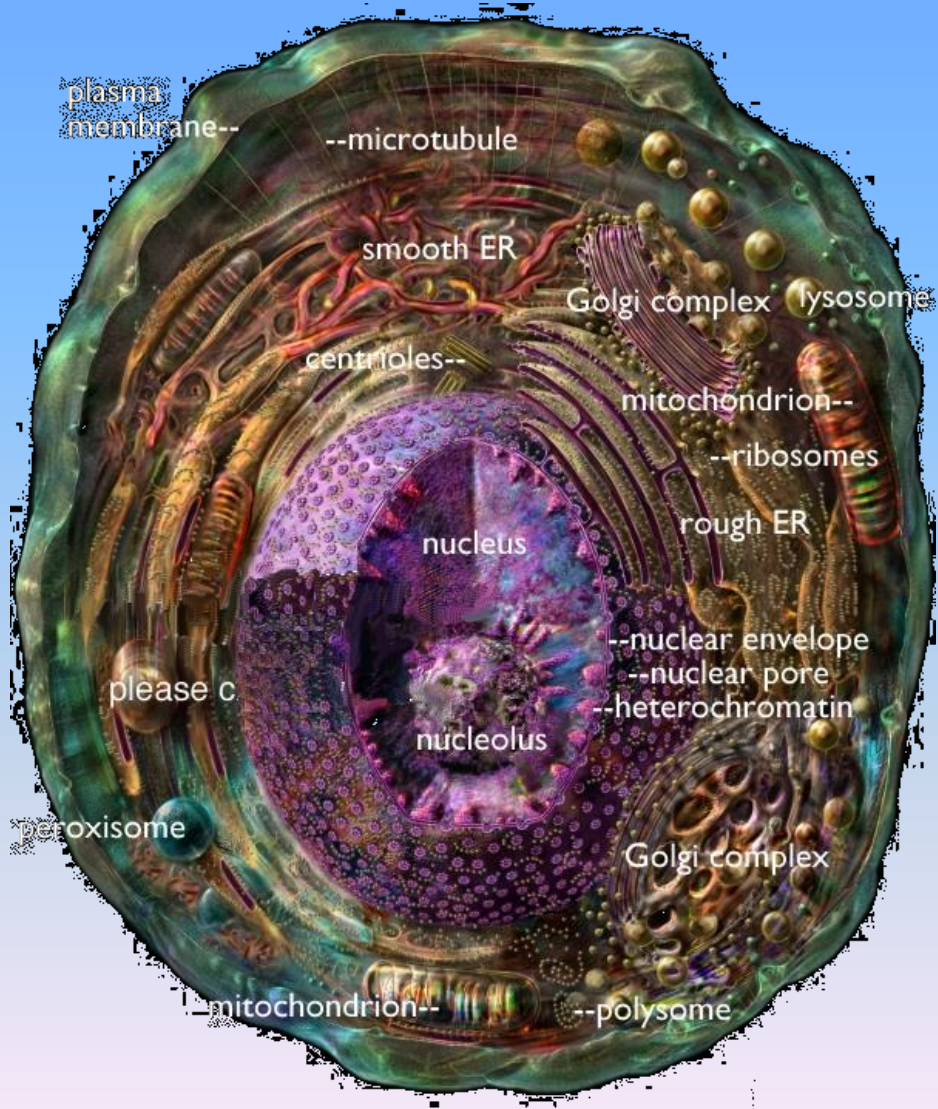

- The Body is made up of cells
- And the relationship of cells within the body gives us a model of how the laws of perfection work

The Body

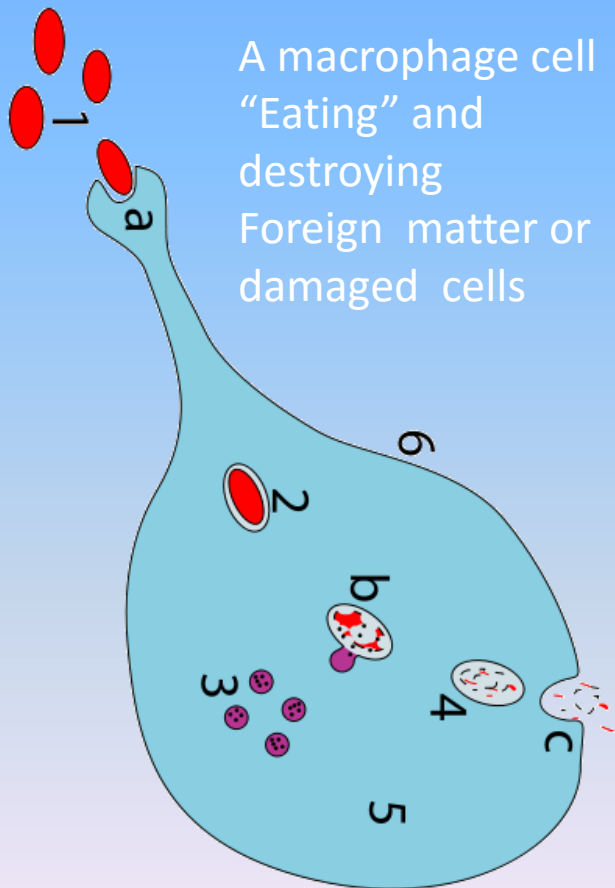

- Humans have about 40 trillion cells.
- There are several hundred different kinds
- Cells are Covered by a “Covering” called the membrane
- The cell “covering” is a biological “skin that separates the interior of all cells from the outside environment. The cell membrane is selectively-permeable to ions and organic molecules and controls the movement of substances in and out of cells

The Cell (a member of the body)

- Corinthians 12:12
- For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ.

The Biological Laws & Forces

A macrophage cell
"Eating" and
destroying
Foreign matter or
damaged cells

- The White Blood Cells Fight Infection by destroying anything that is foreign to the body
- Including damaged body cells.
- The Cells use the cell covering to recognize member cells from foreign bacteria or viruses

The forces of the Body “act” to keep you perfect by destroying anything that is not of the body or not perfect!

- Immune
system
response

The covering

- Before man sinned the covering made him part of the body
- He was perfect
- The forces and laws God did not operate against him
- Even Satan too was created in perfection
 - Ezekiel 28:15 Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in

God's Problem

The sons and daughters he had created had lost their covering

The forces and laws of perfection were now against them seeking to destroy them from his creation.

Review

- The creative laws of perfection

- 1. The PhysicalOrders or perfects matter
- 2. The Biological...Perfects Physical life
- 3. The Spiritual...Governs and perfects Sentient (Intelligent Life)

Review: The Covering

The spirit covering was the interface. The connection between God and man.

It was a gift, but it was maintained by obedience and faith.

It was literally the word of God made real

It enabled man to be perfect and gave eternal life

It protected man from the laws of perfection

So why could not God
just speak
a word and fix it all?

Because God had Given dominion

- Genesis 1:26 ¶And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

Dominion of the reproductive process

“Be Fruitful & Multiply”

- God gave man dominion not just over the earthly creation, but also
- Over the reproductive process
- The biological law states
 - Genesis 1:25 And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that it was good.

Fruitful and multiply

- Adam was created a “SON of GOD”
 - Luke 3:38 Which was the son of Enos, which was the son of Seth, which was the son of **Adam, which was the son of God.**
- Revelation
 - **Man was given sovereignty over the creation of sons of God!**

“Be Fruitful & Multiply”

- John 3:6 That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.
- 7 Marvel not that I said unto thee, Ye must be born again.

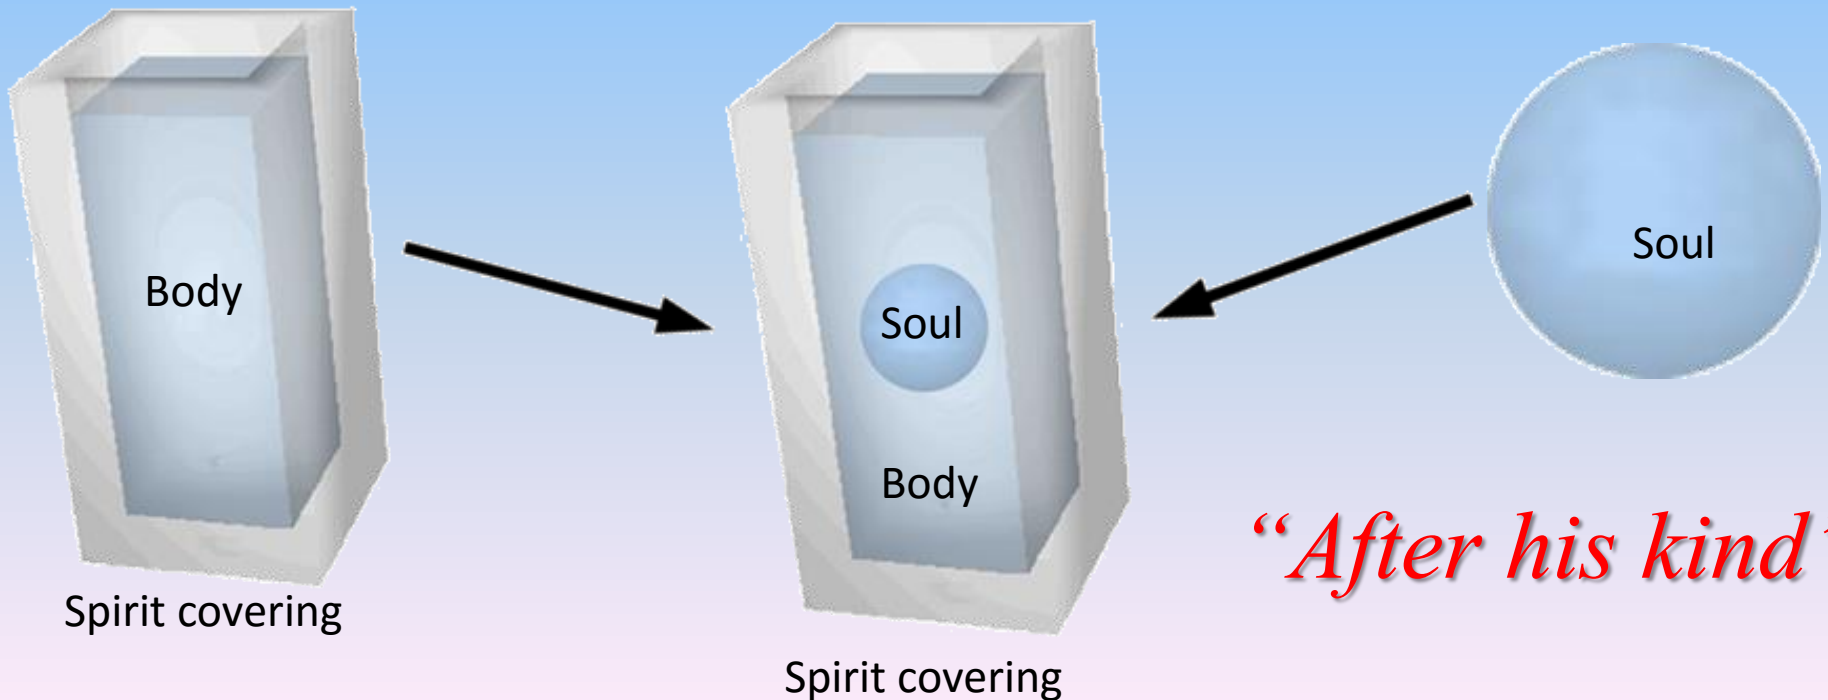

Hebrews 2:10 ¶ For it became him, for whom are all things, and by whom are all things, in bringing many sons unto glory, to make the captain of their salvation perfect through sufferings.

If they had not sinned.....

Adam & Eve would have birthed Sons of God ! Not sons of men

John 3:6 That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

The Soul still would have to come from the “Father” since they had already been created. Not a new creation

The Dominion of Procreation

- **Summary**

- God transferred the sovereignty of procreation to **ADAM : The Son of GOD**
- This included the power of procreating the spirit covering!
- The soul comes from God
- But the procreation mechanism creating the vessel(the body) and its spirit covering were legally deeded to man,

From Son of God to son of Man

Sin collapsed
the covering
Man went
from "ADAM
Son of God"
To
"Enowsh"
Mortal man

A Son in “His” image and likeness

- Genesis 5:3 And Adam lived an hundred and thirty years, and begat a son in his own likeness, after his image; and called his name Seth:

ADAM “Enowsh”
Mortal man

SETH , Son of
“Enowsh” Mortal
man

1 Corinthians 15:56 The sting of death is sin; and the strength of sin is the law.

- The laws of perfection were now arrayed against us bringing first physical death, and eventually spiritual

Romans 5:12 Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:

“But God so loved the world”

- Another covering

- Why could not God have immediately **created** another **spiritual** covering?

- 1. Because he had given that power(sovereignty) of reproduction to “ADAM” son of God.
- 2. He had “ceased” from “new” creative work

The flesh was going to die quickly

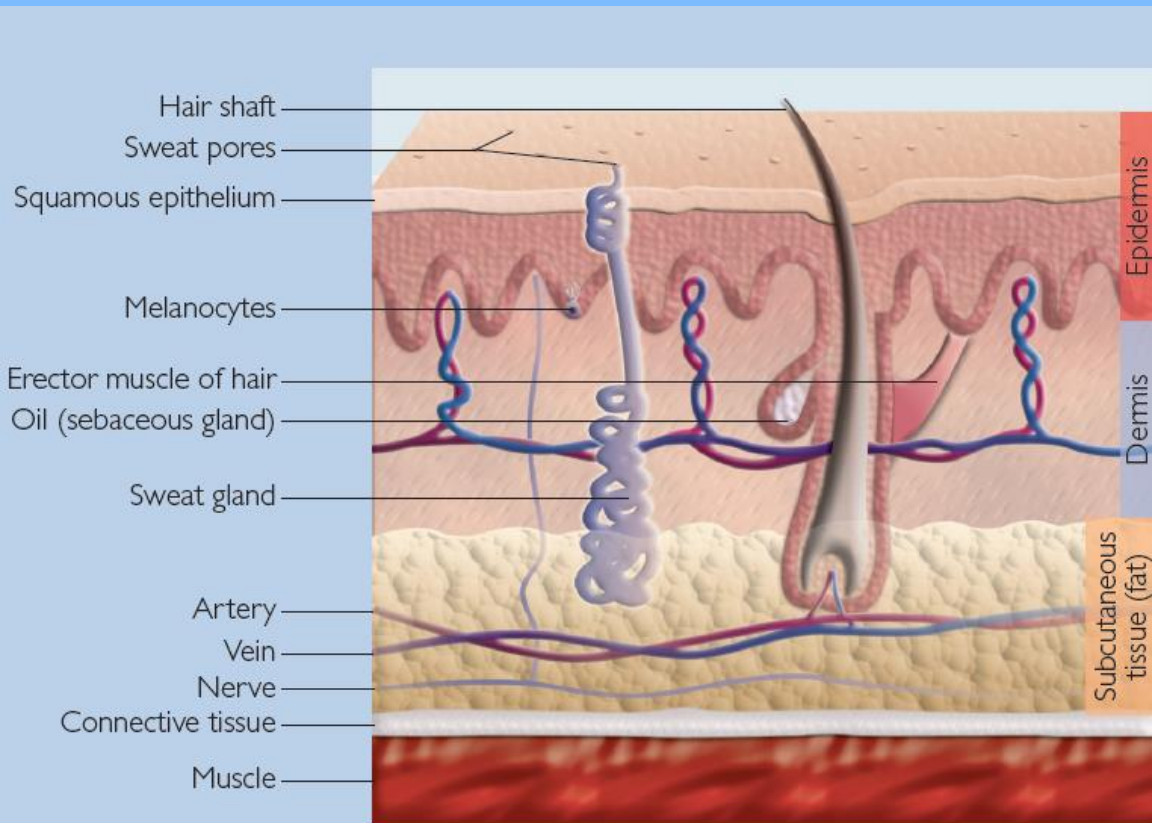

- A temporary covering
 - Genesis 3:21 ¶Unto Adam also and to his wife did the LORD God make coats of skins, and clothed them.

- God was limited by what he could now do because of the procreation gift of sovereignty .
- He could not create “bara” (original creation)
- But he could form(yatsar), or make(asah) out of existing material

Another Covering

The skin is an extraordinary organ with many different functions. It covers an area of approximately 2 square meters and provides about 10% of the entire body mass.

- Protection

- The skin acts as an external barrier to bacteria, preventing infection and protecting the internal organs. The skin also protects the body from ultraviolet radiation using the pigment barrier formed from melanocyte cells found in the top of the papillary dermis and a protein layer found in the epidermis.

“Because thou hast done this” Gen 3:17

- **REVELATION** GODS GREAT MERCY IN THE CURSE!
 - Cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life; Gen 3:17
 - **GOD FREEZES THE PHYSICAL LAW OF PERFECTION**
 - Genesis 3:18 Thorns also and thistles shall it bring forth to thee; and thou shalt eat the herb of the field;
 - **GOD FREEZES THE BIOLOGICAL LAW OF PERFECTION**
- **HE DID IT FOR “OUR SAKE”** (...”For thy sake”)...
 - So that death would now come through a “lack of perfection”
 - So that we could at least live long enough to reproduce
 - But not long enough to be used!

Romans 8:21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. 22 For we **know that the whole creation groaneth and travaileth in pain** together until now.

The Physical Universe begins to run down!

- After the curse the physical and biological laws of perfection stopped maintaining order and the Universe slowly is regressing to the “formlessness and void of Genesis 1:1
 - Universe Is 30 Times More Run Down Than Thought
 - Heat death of the Universe

Universe Is 30 Times More Run Down Than Thought

Cars run out of petrol, stars run out of fuel and galaxies collapse into black holes. As they do, the universe and everything in it is gradually running down.

But how run down is it? Researchers from The Australian National University have found that the universe is 30 times more run down than previously thought. PhD student Chas Egan and Dr Charley Lineweaver from the ANU Research School of Astronomy and Astrophysics have computed the entropy of the universe.

Scientists compute entropy to find out how efficient an engine is or how much work can be extracted from a fuel or how run down and disordered a system is. Using new data on the number and size of black holes they found that the universe contains 30 times more entropy than earlier estimates.

"We considered all contributions to the entropy of the observable universe: stars, star light, the cosmic microwave background. We even made an estimate of the entropy of dark matter. But it's the entropy of super-massive black holes that dominates the entropy of the universe. When we used the new data on the number and size of super-massive black holes, we found that the entropy of the observable universe is about 30 times larger than previous calculations," said Mr Egan. "Contrary to common opinion, the maintenance of all the complicated structures we see around us - galaxies, stars, hurricanes and kangaroos - have the net effect of increasing the disorder and entropy of the universe. But to be fair, their contributions are negligible compared to the entropy of super-massive black holes," added Dr Lineweaver.

The researchers' results have important implications for terrestrial and extraterrestrial life. "The universe started out in a low entropy state and, in accordance with the second law of thermodynamics, the entropy has been increasing ever since," Mr Egan said.

"This is important because the amount of energy available to life in the universe, including terrestrial life, depends on the entropy of the universe. We'd like to know how much energy will be available to life forms anywhere in the universe, and where this energy is. The first step in this procedure is to determine the entropy of the universe. That is what we did."

Heat death of the universe

From Wikipedia, the free encyclopedia

For the album by Off Minor, see [The Heat Death of the Universe](#).

The **heat death of the universe** is a historically suggested theory of the [ultimate fate of the universe](#) in which the universe has diminished to a state of no [thermodynamic free energy](#) and therefore can no longer sustain processes that consume energy (including [computation](#) and [life](#)). Heat death does not imply any particular [absolute temperature](#); it only requires that temperature differences or other processes may no longer be exploited to perform [work](#). In the language of [physics](#), this is when the universe reaches [thermodynamic equilibrium](#) (maximum [entropy](#)). The hypothesis of heat death stems from the ideas of [William Thomson, 1st Baron Kelvin](#), who in the 1850s took the [theory of heat](#) as [mechanical energy](#) loss in [nature](#) (as embodied in the first two [laws of thermodynamics](#)) and extrapolated it to larger processes on a universal scale.

In a more recent view than Kelvin's, it was asserted by a respected authority on thermodynamics,^[1] [Max Planck](#), that the phrase 'entropy of the universe' has no meaning because it admits of no accurate definition.^[2]

Contents [hide]

- [1 Origins of the idea](#)
 - [1.1 History](#)
- [2 Current status](#)
- [3 Time frame for heat death](#)
- [4 See also](#)
- [5 References](#)

Origins of the idea [[edit](#)]

The idea of heat death stems from the [second law of thermodynamics](#), which states that [entropy](#) tends to increase in an [isolated system](#). If the universe lasts for a sufficient time, it will [asymptotically](#) approach a state where all [energy](#) is evenly distributed. In other words, in nature there is a tendency to the [dissipation](#) (energy loss) of [mechanical energy](#) (motion); hence, by extrapolation, there exists the view that the mechanical movement of the universe will run down, as work is converted to heat, in time because of the second law.

The Spiritual (The Law of Sin and death)

- This law is very different. it acts on a different level
- It could not be just “frozen”.
- But it is limited in that it only has power against “a naked soul” (a pure spirit)
- We could not be protected against it, by modifying what already existed to form a protection as God did with skin. There was nothing “spiritual to work with”, that had died immediately.
Instead it had to be satisfied

The Substitute

- Genesis 1:21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good.

“Living Creature Hebrew: Chay Nephesh

“Living Soul”

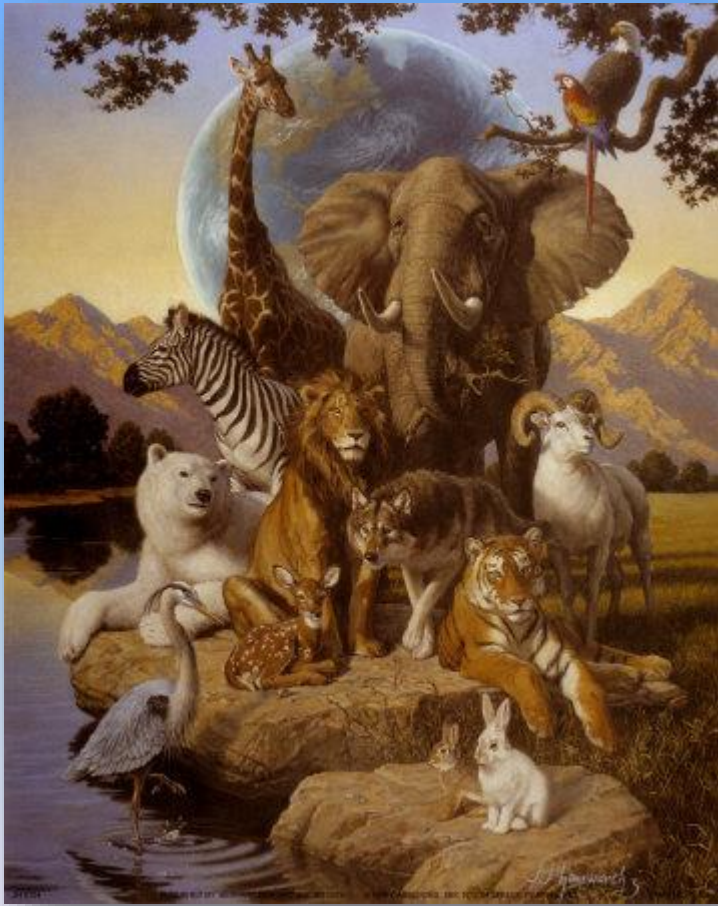

The substitute

- Thus, Genesis 1:30 should more accurately read: "And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, *wherein there is a living soul*, I have given every green herb for meat."

The principle of life

- Ecclesiastes 3:19 For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as the one dieth, so dieth the other; yea, they have all one breath; so that a man hath no preeminence above a beast: for all is vanity.
- 20 **All go unto one place**; all are of the dust, and all turn to dust again.
- 21 Who knoweth the spirit of man that goeth upward, and **the spirit of the beast** that goeth downward to the earth?

Animals have souls

- Revelation 16:3 And the second angel poured out his vial upon the sea; and it became as the **blood of a dead man**: and **every living soul** died in the sea.

The temporary solution

- Leviticus 17:11 For the life of the flesh is in the blood: and I have given it to you upon the altar **to make an atonement for your souls:** for it is the blood that maketh an atonement for the soul.
- **It makes atonement for the SOUL not the body!**

The Five Offerings

- The Burnt Offering
- The Meal Offering
- The Peace Offering
- The Sin Offering
- The Trespass Offering

Mans problem

Mankind had been given the procreation power over **the mechanism of reproduction**. And the creation of a spirit covering actuated by faith.

The universe was running down, God could not keep the laws frozen forever

God had myriads of unborn souls that would be

Placed in defective vessels, alienated from his perfection

Mans Problem

- There was now no source of spiritual perfection in the created universe. It had died when man sinned, and before he had children
- No way to “create” a covering except by breaking his word and taking back sovereignty and dominion from man

Or was there ?

- Matthew 17:2 And was transfigured before them: and his face did shine as the sun, and his raiment was white as the light.

Made under the law

- Galatians 4:4 But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law,

If it be possible...

- That is why the woman was used as the mechanism and the holy spirit provided the spirit covering.
- His death would satisfy the spiritual because he allowed the full imperfections(sins, past present and future to rest upon him). So that his soul would be THE offering for sin

He who knew no Sin..

- Isaiah 53:3 He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not.

4 ¶ Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted.

5 But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

6 All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on him the iniquity of us all.

7 He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he openeth not his mouth.

Became Sin

- So that we could get a new covering and become the righteousness of God
- 2 Corinthians 5:21 For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.

Jesus Made himself the Object of Wrath

- All the Sins of the world
- Past
- Present
- Future
- He took the full force of the laws of Perfection
- And in return gave us the Gift of the Spirit

2 Corinthians 12:9 And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

Making us perfect

- John 17:21 That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.
- 22 **And the glory** which thou gavest me (The Spirit Covering) **I have given them**; that they may be one, even as we are one:
- 23 I in them, and thou in me, that they may be made perfect in one; and that the world may know that thou

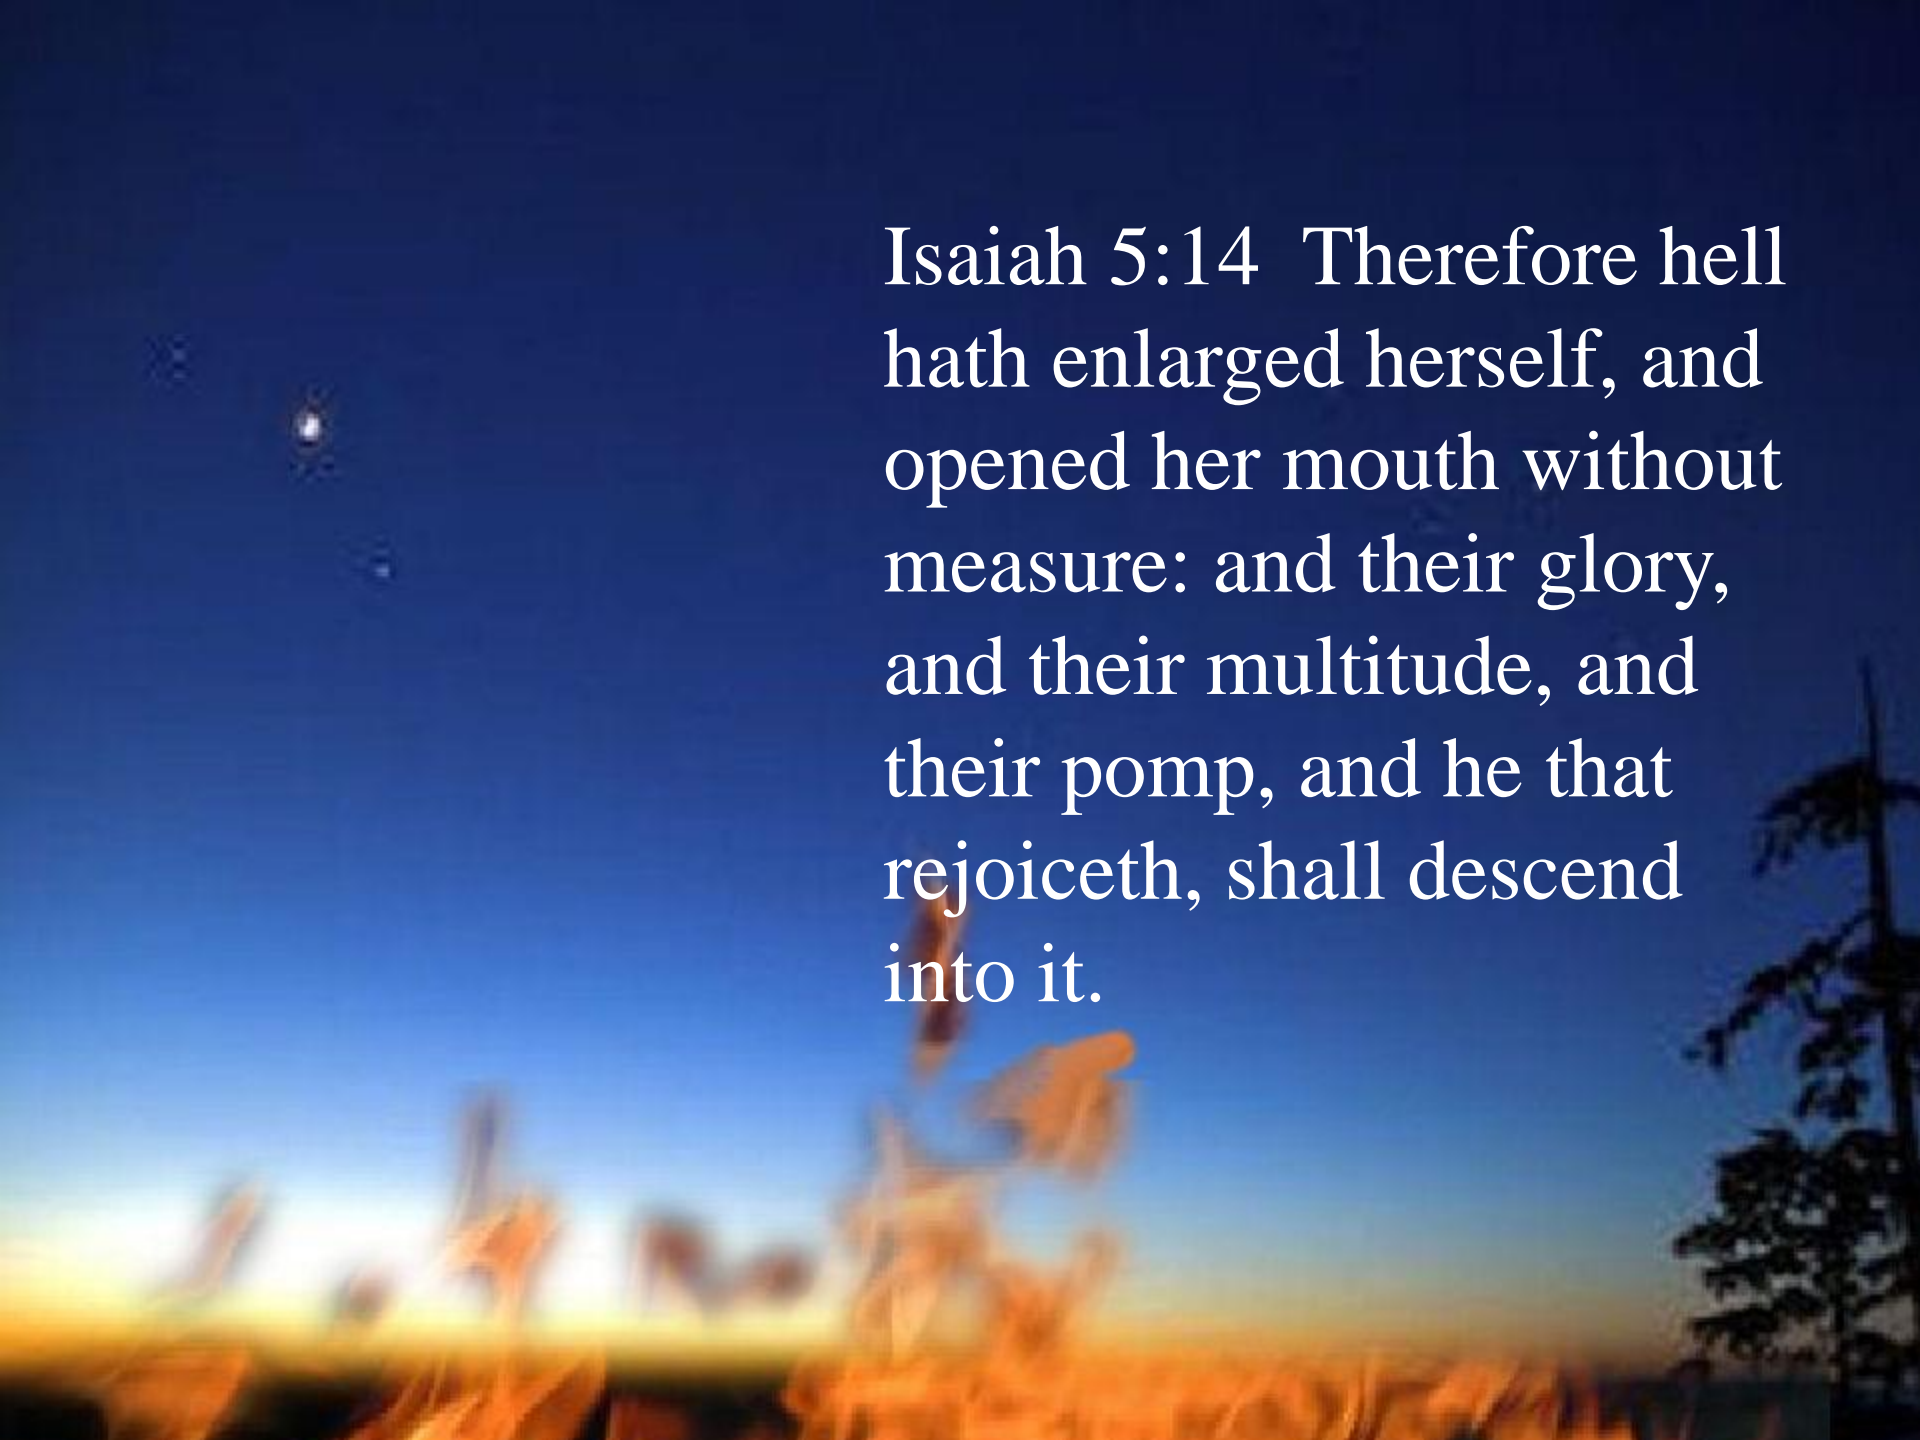

He gave us his glory!

John 17:5 And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was.

2 Corinthians 5:21 For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.

But what about
Lucifer?

Isaiah 5:14 Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it.
